

LCS Family and Friends,

In this update on Landmark Christian School's response to COVID-19 (coronavirus), we will address the following topics:

- School Closure
- Plans for continued education

***School Closure:***

Across our culture and nation, we have watched a rapidly changing environment of information and action regarding COVID-19 (coronavirus). Many changes have been made nationwide in the interest of public safety and our healthcare system.

**This afternoon (3/23/2020), Governor Northam instructed that all Virginia schools close for the remainder of the 2019-2020 school year.** He continued to leave specific details to be decided at a district and local level.

**Landmark Christian School buildings will remain closed for the remainder of the school year.**

***Remaining Plans:***

**We are committed to helping our students and families continue their education for the school year.** Plans will continue to develop as we gather information about state testing requirements.

More details will be emailed to parents regarding lesson plans, video instruction, student assessment, tuition, and more.

No matter our personal thoughts about the current situation, we are asking our staff, students, and school families to respond in a positive, unified way.

We understand that any change can be inconvenient and create disruption. Please continue to communicate with teachers and our administration as needs arise.

Thank you,

Landmark Christian School
